## FLEET CAPTAIN MEMO:

The cruise is well in place, and coming up soon. With 17-18 boats going, we should have an excellent trip. Smooth Sailing all the way.

The next cruise meeting will be on May 9, 2003, Friday @ 8:00 PM.

I'm still trying to organize small craft activities, so if your interested in participating, come on out to our next meeting. On May 7, 2003, Wed 7:30 PM.

## REAR COMMODORE'S NOTE:

At this time there are 8 applicants on the sublet list and these sub-letters have been given permission to bring their boats onto the docks. All permanent dock space members must notify the Rear Commodore 48 hours prior to their intended arrival to the dock.

Also and important note anyone exiting the club must turn the alarm on using **Command 1 and MUST** leave at the front door. The system is designed for front exit only.

The Dumpster is for BYC use only and not for your personal garbage from home. Anyone caught discarding their home refuse may be subject to a fine or the cost of another dumpster pickup.

## FROM THE ENTERTAINMENT COMMITTEE

We would like to thank everyone for supporting the club and this year's event. I think everyone who has attended any of the events has had a good time and we look forward to seeing you all at Change Of Watch in the fall. The turnout at the Sunday Brunch was terrific. There were about 111 Adults and Children to come see the Easter Bunny. This event could not happen without your support.

## Secretary's Note:

Presently I am still in the possession of club chits that member have failed to pickup. These chits have been available since March General Membership meeting, they will be available at future membership, trustees meetings and the bar on Friday evenings and some Saturdays. Please make an effort to pick them up at one of these times. If you need some special arrangements please give me a call to see what we can work out. Another note about the Newsletter, if there are any suggestions or recommendations, I would like to hear from you.
