From Your Fleet Captain:

Our December meeting went great, we have picked out the ports that we will be going to. They are as follows in order; Great Oaks, Kent Narrows (Mears), Harrington Harbor, Annapolis and Baltimore Yacht Club for Commodore's Dinner.

We are having a Country and Western Dance on Saturday January 17th from 7pm till ?? Tickets are available at \$15.00 for adults and \$5.00 for children, so just call Rose(695-4807) to Reserve your space.

We will also have the AC Bus trip on February 8th, I don't have all the details yet but will have them at the end of December.

Come and join us for some fun and be with the gang that you committed yourself to. Without your support we would not have a great club as we do.

Thanks Rose

Welcome New Members

Please welcome Rich Carter as our latest new member.

Memo from the Rear Commodore:

Well, the boats are out of the water, the docks are pulled aground, and the weather is getting downright *%&^*#< nasty. Please excuse the profanity, but it's snowing, icy, and I slipped, fell, and got a wet butt. Not hurt though (phew).

Anyway, I hope everyone is warm and dry, trying to enjoy this white stuff. For everyone who joined us on the fall work party, I would like to express my gratitude to ya-all for doing a super job in preparing the club for the winter. And a special thanks to our kitchen/chef staff for providing us with excellent, tasty meals. It gave us the necessary energy to complete our assignments.

Before you know it, it'll be spring, and time to reverse our activities. Looking forward to forgetting this frozen stuff and floating on that liquid stuff, unless, of course that frozen stuff is floating in liquid stuff while sipping away and enjoying warm sunny days on the back of our boats.

Have a Safe and Happy Holiday Season
From your Rear Commodore, Bill Peltack

Apparel

Julia Jones has taken over the Apparel Committee, If you would like any Bordentown Yacht Apparel, please talk to her. There are now ladies v-neck shirts in stock as well as a couple of sweatshirts left.

The other new item this year is vinyl burgees in 2", 4" and 6" sizes.

Boating News

Dock applications are included with this newsletter, they can also be download from www.Bordentownyachtclub.com. The Rear Commodore and the Secretary have Jet Ski dock applications and they are on the web site as well. We only have 103 days until the docks open back up.

To fill your time until then we have two boat shows coming up the New York Boat Show December 27th to Jan 4th, and the Atlantic City Boat Show Feb 4th to Feb 8th. See Fleet Captain Restuccia for tickets for a bus trip to the AC Show.

DRYL Yearbook

Bill Branchide and Scott Jones are looking for photo's for the BYC page in the DRYL year book. If you have any photo's please contact either Bill or Scott.

Cocktail Parties

We will be having a cocktail party in both January and February, but the kitchen will not be available, so please plan what you bring around this. We will try to have a microwave available but that can not be guaranteed.

Commodore's Log
January 2004

I would like to wish everyone Happy Holidays and a Happy New Year.

Thank you to the entertainment committee for putting on two great Christmas parties. The kids enjoyed the crafts, food and especially Santa. The adults had a great time at their party as well.

January brings the kitchen renovations and rebuilding docks. Your help would be most welcome on these projects. Please call Gabby Dibaczy or Guy Errickson. Your help and your support are needed for these projects to be completed.

The committee list will be posted at the January general membership meeting. These committee assignments are important. We are a working club and your efforts to complete your assignment show at the club. Your club prospers because of your talents and the responsibility that you have undertaken as a member of Bordentown Yacht Club.

Hope to see you on January 17th at the Country Western Dance.

Happy New Year!!!

Willie Foerstner
