August Rear Commodore's Report

The crab feast is coming up this month and the club is going to be filled with people. Let's make the club look great! Please let me know ASAP if you notice something that needs to be fixed or tidied up!

The docks are filling up! Thank goodness! Please make sure all tenders are in their proper places, the center dink dock does still have some spots, please utilize that space. Also if you are removing your boat for any length of time, please let me know.

You know where to find me if you need me, but just in case my cell is 609-923-0963, email Silver02ta@aol.com.

See you at the club!
Melanie

Cruising Corner August 2008

Fleet Captain Report

The 47th Annual Chesapeake Cruise was a success!!! We had six boats and traveled 303nm. The weather was great. It rained once during the cruise, starting at about 4am, and by 9am the sun was shining and the seas were flat.

Everyone made the trip with no mechanical problems (at least on the trip; thank you, Curt and Frank, without help from both of you, my boat never would have made the start of cruise!!!)

It was nice to stop at another Yacht Club, and Maryland Yacht Club was a great stop. The Commodore's Dinner was held at Chesapeake City Inn, with 31 people. The food was great even if the service was a little slow. A big thank you for everyone that attended.

Our next cruise will be to Philadelphia Marine Center for our Frost Bite Cruise on Columbus Day Weekend. Let me know if you are going, so we can start making reservations.

From the Entertainment Committee

Lest you think that your Entertainment Committee has been sitting back and resting on its laurels, let it be known that our collective minds have been working intensely preparing a fun evening for your mutual enjoyment. The truth is, while Mariann has been trying to take a break, the other ever-creative and hardworking members of this committee have been trying to figure out how to raise money for the club. And since this group manages to amuse and entertain me in the kitchen so often, it seems appropriate that they should plan a Comedy Night, which is scheduled for Saturday, September 27th. Comics will perform material for Adult audiences. Ticket cost is expected to be \$25.00. Doors will open at 7:00pm. Appetizers and snacks will be provided. The guys are also conspiring to provide some drink specials. Hope to see you there.

Mariann

FROM THE COMMODORE:

Within the past two weeks, I have had the pleasure of going on two outings with the Bordentown Yacht Club. Not only were the officers in attendance, but lots of members and friends, as well.

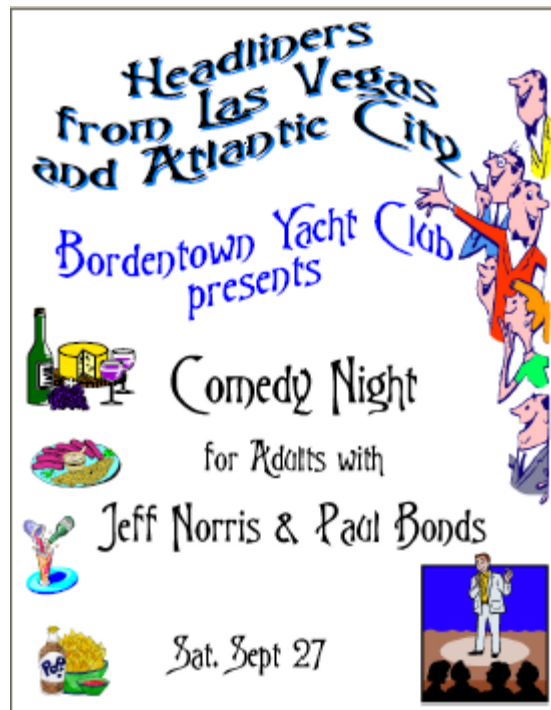

The first event was The Commodore's Dinner: This is the finale event of the cruise, hosted by the Fleet Captain, to honor the Commodore. This year, the Commodore's Dinner was held at the Inn at Chesapeake City. Despite the high gas prices and even higher temperature, we had roughly 20 people drive down to the Chesapeake and join the cruisers for a great dinner, good libations and an overall fun evening. The event was capped off with the Fleet Captain taking his obligatory swim off of the dock. Then someone realized that I was very warm and they had the perfect solution. Thus I went into the drink as well.... If my dress whites hadn't been getting browner with every minute that passed, I probably would have stayed in for an hour or so... God that swim was refreshing! I would like to personally thank all of our members and friends for joining us.

The second event was the DRYL Poker run. This year a flotilla of eight boats left our dock around 9:00 am, with the ninth boat leaving much later due to engine trouble. But that group didn't give up either! They made the repairs and completed the course. When our ninth boat arrived at Farragut, we finalized the count at 51 attendees. This was the largest contingent that Bordentown has had in many years. The fun was multiplied when Rosie submitted the winning hand and snagged the grand prize. Just in case anyone has lost track, Bordentown has clipped the grand prize in 3 out of the last 4 years.

When I see the kind of interest and support that we've had this year, along with the Cruise Nights, Cigar Parties, and a whopping 200+ turnout for our Pig Roast, there's one thought that comes to mind: Sometimes the perks of this office are pretty good!

Fair winds and Calm Seas to All.
