September Rear Commodore's Report

If your insurance has been recently renewed, please give me a copy of the new declarations page, with the dates and coverage.

As always, please let me know of any repairs that need to be made. This is our club, I want it beautiful and in good repair, but I don't always know what needs to be done, so lets help one another.

Also please keep me informed if you are taking your boat off the dock for any period of time or if you need to utilize the emergency dock.

You know where to find me if you need me, but just in case my cell is 609-923-0963, email Silver02ta@aol.com.

See you at the club!

Fleet Captain Report

We have two more Fleet Captain events left for this year.

We have the Annual Frost Bite Cruise October 10th - 12th. We will be going to Philadelphia Marine Center. I spoke with Dockmaster Barbara today, and we can have our choice of the North Side or the Main Basin, but I need to let her know how many boats and what sizes. So far I have three boats signed up. Let me know as soon as possible.

The second event we have left is the October Fest. The October fest will be held on October 18th from 8pm-11pm. New Jersey Live Musicians, will be providing the entertainment. This is the same band that was here last year, Do not miss this party; everyone had a great time last year!!!

Let me know for either event. 609-915-2200 or SPJ9964@gmail.com

Sandbar Party!!

There will be a sandbar party on Sunday September 7th. The club will be providing Hamburgers, Hotdogs, Porkroll, Salads and Beer!!!!

Low tide is at 4:00pm and the party will start around 1:00; the party ends when the sandbar is gone.

As is traditional, we'll outfit the dink dock with grills, food and appropriate libations for the event. Your Trustees and Officers scheduled the party to coincide with the availability of the next class of Air Force troops who are shipping out. We're still working out the details, but right now we're looking for volunteers and boats for water skiing and tubing, etc., for the Troops.

So - Put on your bikinis, grab your swimmies and bring your lawn chairs! Mark the date and come join us for the Annual BYC Sandbar party - this year with our special guests from the Air force training center.

Crab Fest Thank You:

To all the members, Thank you so much for all the hard work in help making the Crab Feast a Success. I could have not done it with out you, special thanks to Big Tim, Maryann, Tony Tunney, Scott Jones, Mark and Kathy, Greg Poole for getting me the band, I heard they were great. Mel a special thanks for handling the kids game with Katie. These people went out of their way and were not even a volunteer for this event. If I missed anyone I apologize. We made great money and had a great time for anyone that missed it. We had a little over 200 people and plenty of crabs. Thanks Again

FROM THE COMMODORE:

I've said it many times before and I'll say it again: The Fun Never Ends at BYC! We are certainly proving the slogan this Summer. Since my last entry in the Commodore's Log we've hosted our annual Crab Feast, the third Cruise Night, our second Cigar Party and our 1st day-long Sandbar Party for the deploying Air Force troops. If you haven't been down at the club joining us, you've really missed quite a Summer!!!

This year's Crab Feast had over 250 people in attendance. Everything went like clockwork, we had some gorgeous weather and we saw a lot of smiling faces. We also had nine boats, including some first-timers, make the trip up river and join the festivities. Everyone I talked to told me "Great party - can't wait to come back next year." I want to offer special thanks to Rosie for accepting the challenge of running the event and not only pulling it off, but making it a smashing success.

A couple of events that have really caught on this Summer are the Cruise Nights and the Cigar Parties. Our August Cruise Night had over 45 cars in attendance and the Cigar Party registered over 60 people. We're going to continue doing these into the Fall and who knows after that!!

By now, I'm sure you have all heard about our 1st day-long party for the Air Force Troops. This was something to experience. We had 21 troops and probably 30 BYC members all show up for a day of water skiing, tubing, rafting-up, eating, drinking and generally having fun! Even though we had thunder, lightning and a lot of rain, it didn't dampen anyone's spirits. When it wasn't raining we were out in the boats. When it was raining, we were partying back in the club. There were two very cool things happening: 1) The Air Force guys (and lady) were having a good fun no-strings attached day, and 2) All the BYC members there were banding together for the unified purpose of giving these guys a good time. I've heard back from Colonel Moulton who told me that the guys didn't stop talking about it for the remainder of their stay in Ft. Dix.

But guess what gang.. We're not done yet! There are many events still coming before the end of the season:

Our Annual Sandbar Party is happening this weekend -and we've invited the Air Force to join us. This time we're expecting 40+ Troops. The next Cruise Night will be this coming Wednesday, Sept. 10th. If you want to see some really beautiful machinery, this is the place to be. The BYC Annual Golf Outing will be held on next Friday, September 12th, and we have a new entry to our event calendar...

Announcing the BYC Comedy Night! On September 29th, BYC is going Hollywood - with our 1st ever Comedy Night - Created and Produced by Tim Vitanzia and Directed by Marianne Cialdella and the Entertainment Crew. This promises to be a good time for everyone.

I want to personally thank each and every member who volunteered their time and other things to make all of these events so special and successful. Some of you contributed a good amount, some of you contributed a TREMENDOUS amount, but all of you collectively have contributed to their successes! I don't want to attempt to name you all in the fear that I might accidentally skip some of you... but again, THANK YOU for your continued support, creativity and efforts. WOW - what a Summer it has been!!! We haven't seen this kind of interest in a long time.

Fair Winds and Calm Seas (and continued Good Times) to All,

Bill
