## Commodore's Report

Hello everyone,

Summer is finally here! I hope everyone is enjoying it as much as I am. May was a fun filled month, with myself and the other officers attending multiple opening day ceremonies. A few of the other clubs returned the favor by attending our Opening Day, which is something that hasn't happened for quite some time! Chris, don't think going in on Opening Day gets you out of going in on the cruise either. A big thanks to Curt, who has helped us gain the very cool reputation of the club that attends openings by boat! We restored our tradition of receiving the Longest Distance Traveled plaque at Baltimore Yacht Club, over Memorial Day Weekend and we earned it! Sheree almost hyperventilated waiting for us, but Mel and I made it just in the nick of time! Thank goodness for the hospitality of Riverside Yacht Club, or we wouldn't have made it anywhere! We have some fun events coming up this month.

We are hosting the DRYL Meeting this month, June 2<sup>nd</sup>; food is served at 7pm; the meeting is at 8pm. The Jazz on the River rental is back, they have some great music and they pack the club. The Pig Roast is June 13<sup>th</sup>; I know the special events committee will put on a great party as usual. June 14<sup>th</sup> we are going to have the airmen back. We need the help of all of the members to make it be a memorable time, giving them the respect and relaxation they deserve before they ship out.

Anyone that can help out please let me know ASAP. To all those father's out there,

Happy Father's Day, I expect to see a lot of people out enjoying their boats!

Hey maybe we can start getting some old fashioned cove raft-offs going,

Anybody interested?

Tim

## Vice Commodore's Report

Hello everyone and welcome to summer!!!

The bar is now also open on Saturday nights, 8 to midnight, and Happy Hour is still 8 to 9 on Fridays. We currently have Sierra Nevada Summerfest on tap, and some other new beers in the cooler! If you haven't been to the BYC bar recently, come on down and see us!

This month's Drink of the Month:

### **The Electric Lemonade**

1 1/2 oz. Absolut Citron Vodka

1/2 oz. Blue Curacao

2 oz. Sour mix

Splash 7-up

New! This month we will be trying personal sized bottles of red wine. All the same excellent brands at the same price of \$4 are now offered in small personal sized bottle so each glass is freshly opened.

Wednesday quoits nights have started back up, so if you are interested in throwing, 8:30 Wednesday the club is the place to be.

If you have any suggestions or you would like to see a certain drink here, just let me know! And please remember, club rules say no outside alcoholic beverages inside the club when the bar is open.

See you at the club!

Slainte,  
Melanie

## Rear Commodore's Report

It is great to see more members bring their boats on the dock. Please let me know when you plan to come on the dock, the docks are full and we have members that want to sublet space. Also if you are going to take your boat off the dock please let me know as soon as possible so other members may sublet that space.

Do not forget your boat must be on the dock by July 1<sup>st</sup>.

As always if you notice anything that need to be repaired, please let me know so I can get it taken

care of. I can be reached by cell phone 609-915-220 anytime.

Scott

## **Cruising Corner - Fleet Captain's Report**

Thanks Everyone that supported the Opening Day Raffle. Our Next Cruise Meeting will be 19 June 2009 at 830pm. Boat load of Cheer tickets are on sale for 5 dollars see myself or any of the cruise members for tickets. There will be a dunk tank at the Pig Roast. The Commodore's dinner is set for July 18<sup>th</sup> at Great Oaks landing. Invitations are in the mail, tickets at \$45 per Person. Which brings me to our Next Stop on the Chesapeake bay Cruise:

### **Annapolis Yacht Basin**

Established in 1937, The Yacht Basin Company is the oldest privately owned marina in Annapolis. Completely renovated after hurricane Isabel in 2003, The Yacht Basin offers a large, modern facility. Clean, bright bath houses and a new laundry room, along with WiFi access, are just a few of the conveniences awaiting our guests.

Our accommodations include over 100 fixed slips and three deep water face docks that routinely welcome vessels up to 240 feet. Five high speed pumps deliver BP fuels year 'round, plus volume discounts.

Historic Annapolis, Maryland's state capital, is just steps past the Marriott hotel on the marina's north side. All around are 18th century homes and narrow streets with a wide variety of shopping and eating establishments. Tour schedules to all sorts of exhibits, including public and private buildings are available. A casual stroll south over the Spa Creek draw bridge is the Maritime Republic of Eastport...a sailor's paradise.

Thanks  
Chris DeRemer
