Commodore's Report

I have to start off by saying Thank you to all those who attended the cruise. Some people joined us a little later than others, Chester even chartered a boat, but thanks to Chris, and all of his hard work, I had a wonderful dinner and we had a great cruise! I take great pride in saying almost my entire family was able to attend the dinner, it was a wonderful gift! I also have to thank Curtis, who not only made sure we made as many Openings by boat as possible, he also opened his boat to me, to make sure I was able to make the entire cruise, Thank you. This was the first cruise in quite a while that every officer attended, and that makes me proud as Commodore and as someone who has been on many cruises before.

We just had the DRYL Poker Run, which continues to grow and we continue to have fun on it! Congratulations to Gail Carter, she is this years second place winner, way to keep up the winning steak Gail!

The Crab Feast (August 22) is almost upon us, so please let's get out there and sell some tickets, let's make *OUR* Crab Feast the best one on the river once again. The airmen picnic will be the following Sunday, August 23, please let me know how you can help. If you have not attended one, you should, it is nice to see others take joy in our weekend ritual.

See you at the club,

Tim Morton, Commodore 2009

Rear Commodore's Report

For those of you who did not hear, we lost power at the club on July 26th. The power was out to parts of the dock for almost 24 hours. Please check the food in your refrigerators carefully. Unfortunately there is no way to tell what boats had power and which ones did not.

Also the annual crab feast is in three weeks. Please let me know if you are willing to move your boat and raft off another member's boat, so we can accommodate our visitors.

As always if you notice anything that need to be repaired, please let me know so I can get it taken care of. I can be reached by cell phone 609-915-2200 anytime.

Special Events

Hi everyone, well the time is getting close to the Crab Feast and for most you know what that means selling tickets and showing up for your event that you volunteered for. I will be emailing the times and schedules this week. For the new members if you haven't been to one you must come and see how good it is and the crabs are excellent, as is the night life. Please come and join us, it's only \$35.00 a ticket for adults and there will be plenty of stuff to do for the kids.

Hope to see you there. If you need tickets, feel free to call me at 609-695-4807. Mel also has tickets too at the bar.

Thanks Rose
