The nominating committee is now in place and is looking for people interesting in running for office or the board of trustees. Please speak to Tony Tunney, 609-291-2783; Bill Russo 609-658-9425; or Curt Hook 609-744-8035 if interested. Also, please note the November meeting has been moved to November 9th due to Change of Watch.

Vice Commodore's Report

It's hard to believe that it is Labor Day already here, but not to fret we still have lots of boating left! Don't forget the membership meeting will be postponed to September 14th due to the holiday. And the Sandbar Party is Sunday September 13th. The quito's pit has been rather quiet so far this year, so why not come on down on a Wednesday and throw a couple rounds? Maybe even get together a team for the Von Neida picnic (which is coming up Sept 12th at Pennsylvania YC, I know most of you have been there, it is a stop on the Poker Run!) On the town: Bordentown City has third Friday events, "THIRD FRIDAYS IN BORDENTOWN CITY!! Come visit the merchants and eateries in the downtown business district on Third Fridays for specials, tastings, artists, music and more!" There is also a Farmer's Market every Wednesday evening 3p-7p.

Our bar is running smoothly, with our bartenders looking snazzy in their new shirts and pouring beers from the newly installed beer taps. That's right; we now have 6 beers on tap! So pop in, say hello, and see what's new at the bar!

Drink of the month

Ecstasy Martini

Three Olives Grape Vodka

Blue Curacao

Grenadine

Shaken, finished with a splash of club soda

Upcoming Club Events:

Saturday, Sept 12 DRYL Von Neida Picnic at Pennsylvania YC (flyer at club with complete information)

Monday, Sept 14 8pm General Membership Meeting

Sandbar Party this Sunday, September 13.

High Tide is about 10:15 am low tide 5:40 pm. So figure around 2 pm party start time.

The club will be providing Burgers, Dogs (and the fixins), and beer but we need salads and desserts to be donated. We also need help loading up the center section of the dock to be taken out. If we all pitch in a little bit, no one will have to carry the burden. 11 am meeting time to start getting ready, loading up etc.

If anyone would like to bring games out, that would be great!

Suggested dishes:

Potato Salad, Pasta Salad, Green Salad, Deviled Eggs, grilled veggies, cup cakes, brownies, you get the idea

Let me know if you have any questions!

Rear Commodore's Report

Port –a –Potties

Please do not dump port-a-potties in the bathrooms at the club house. We have a port-a-potty dumping station location behind the wooden fence, next to the Coast Guard Auxiliary office, in the south parking lot.

The chemicals in the port-a-potties are very harmful to our septic system. The dumping station also has a hose for rinsing out your port-a-potty. If you have any question about where it is, or how it works contact the Rear Commodore.

I would like to thank everyone that moved their boats for the Crab Feast. Unfortunately, due to the weather only two of the twelve boats showed up.

If you would like to sublet a slip, let me know; I do have space available on the docks.

As always, if you notice anything that need to be repaired, please let me know so I can get it taken care of. I can be reached by cell phone 609-915-2200 anytime.

Scott

Special Events

Hello everyone, thank you for all your help in both the Pig Roast and Crab Feast. Without your help these events would not happen, including the Golf Outing; please be sure to give Tony Tunney all the help he needs since this will be the last event of the year. Please try to make any event that is possible since our budget depends on it.
