Commodore's Report

The year is winding down but there is still boating to be done! The Frost Bite Cruise is rapidly approaching, and if you have not been on one, you should come on down, it's a good time. This month's events include not only the Frost Bite cruise, but the Cigar Dinner and we are trying something new and having a Halloween Costume party this year, see Big Tim for details, haha just kidding, Tim will not be around ask James. And don't forget about the Change of Watch dinner November 7th, I hear the Entertainment committee is cooking up something special.

Vice Commodore's Report

It is officially Fall, but we are still having some good weather. And that combined with the Phillies winning the NL East and Frost Bite coming up, there are still reasons to be happy, so stop on in the club bar and share a pint with some friends.

Currently on tap we have Hoegaarden, Flying Fish Oktoberfish, and Sam Adams Cherry Wheat, with Molson Canadian, Budweiser, Land Shark and Killians Irish Red on deck.

A big THANK YOU goes out to all the bartenders for all their hard work this entire year. You guys did a great job!!!!

Hope to see you all on the Frost Bite, at the Halloween Party later in the month and Change of Watch in November.

Drink of the month

Rear Commodore's Report

If you would like to sublet a slip, let me know; I do have space available on the docks.

As the season winds down, and you start to do maintenance on your boats, please remember that oil and oil filters must be removed from the club. They can **not** be placed in or around the dumpsters.

As always, if you notice anything that need to be repaired, please let me know so I can get it taken care of. I can be reached by cell phone 609-915-2200 anytime.
